ATTEND THE AUXILIARY TO THE AVMA'S MEETING & LUNCHEON

Greetings to the membership of the Auxiliary of to the AVMA from your current Board President and Board of Directors. The Auxiliary, whose mission is - *to assist the advancement of the science and art of veterinary medicine, and to strengthen communication among those associated with the veterinary profession* - recently celebrated its 100th Birthday! A true landmark in this day and age. The profession of veterinary medicine has seen many changes, as has the Auxiliary, in our 100 plus years. It is the goal of the Auxiliary to move forward and adapt to continue to fulfill our mission statement as noted above to remain relevant as an organization.

In the tradition, we carry on...

It is exciting to be in our Nation's Capitol again for the annual meeting of the membership of the Auxiliary to the American Veterinary Medical Association. We do hope that you can join us for the annual meeting and luncheon. Good things are happening in Kritters Korner which is our major fund-raising effort. Looking forward to seeing you there.
